

**THE WALLACE FOUNDATION
WHISTLEBLOWER POLICY FOR STAFF AND VOLUNTEERS**

If a Foundation employee or volunteer (other than members of the Board of Directors) becomes aware of or has a reasonable good faith belief that the Foundation may be involved in illegal activity, fraud or violation of organization policy (as described in Exhibit 1), or if the employee or volunteer suspects any impropriety regarding the Foundation's accounting methods, internal controls, audit processes or any other financial matter, the employee or volunteer should immediately report such concern ("suspected wrongful act") to the Senior Counsel. If it is impractical or inappropriate for the employee or volunteer to notify the Senior Counsel, the employee or volunteer may contact the President, or if inappropriate to notify the President, the Chair of the Audit Committee of the Board of Directors.

Reports may be submitted in writing or verbally, and should contain as much detail as possible to allow an appropriate investigation to begin. Reports may be submitted anonymously or not. Anonymous reports of suspected wrongful acts that do not contain sufficient detail may prevent an investigation from beginning. The employee or volunteer should retain all documents that could be relevant to an investigation of the matter.

All reports will be received and acted upon in confidence to the maximum extent possible given legal requirements and the need to gather facts, conduct an effective investigation, and take necessary corrective action.

The Senior Counsel shall be responsible for administering this Whistleblower Policy. When the President receives a complaint, he or she shall inform the Senior Counsel, unless it is inappropriate to do so. When the Senior Counsel receives a complaint, he or she shall inform the President, unless it is inappropriate to do so. The Senior Counsel or President will apprise the Audit Committee of all complaints (including those not shared with the President or Senior Counsel) and investigations. Following investigation, the Foundation will take such appropriate remedial and disciplinary action as it deems justified by the circumstances.

No adverse action, including but not limited to intimidation, harassment, discrimination, adverse employment consequences or other retaliation may be taken against an employee or volunteer who in good faith reports allegations of improprieties or illegal activities which the employee or volunteer reasonably believes to be true, or for assisting in the investigation of a complaint.

The improprieties covered by this policy include, but are not limited to, the following:

- Supplying false or misleading information on the Foundation's financial documents;
- Providing false information to or withholding material information from the Foundation's auditors;
- Violations of the Foundation's policies as described in Exhibit 1;
- Foundation assets being used for personal gain or benefit;
- Payment for services or goods that are not rendered or delivered;
- Embezzlement and fraud; or
- Planning, facilitating or concealing any of the above.
